Mr. Ramanauskas

We would appreciate a technical discussion with you. We are free the week of the 19th, preferably in the afternoon either Monday, Wednesday, or Friday. Attendees on our end would be myself, Tony Koblinski (President of MKC), and Katherine Vater (TRC). Please let us know what time/date would work and we'll be sure to connect with you. An agenda in advance would be greatly appreciated so we can be sure that we're prepared for an effective discussion.

Thank you
